

EFYE 2022: Preventive concept

Contact person & COVID representative

Katharina Salicites (Higher Education and Programme Development)

Description of the event

Date: 20 - 22 April, 2022

- Location: Graz University of Technology (“Old Campus”), Rechbauerstraße 12, 8010 Graz
- Welcome Reception at City Hall on 20 April, 2022.
- Conference Dinner at Hotel Weitzer on 21 April, 2022

Schedule: see programme <https://efye.tugraz.at/program>

Measures

The following rules apply at the premises of TU Graz:

- If the participant already feels ill before the event, he/she must refrain from participation.
- FFP2 mask: The mask must be worn on traffic areas of the TU Graz. Participants can remove the FFP2 mask at their seats.
- A distance of at least one meter to other participants must be maintained during the entire event. If the distance cannot be maintained, an FFP2 mask must be worn.
- When coughing or sneezing, the crook of the arm must be used for protection.
- Handshaking is to be avoided.
- Regular disinfection of hands in between should not be forgotten.
- Seating in the rooms used will be done centrally according to COVID specifications

Regulations for controlling the flow of visitors

Participants arrive and go to the registration point in Foyer I of the “Alte Technik” (Old Campus, main entrance, Rechbauerstraße 12). There, the 2.5 G proof (recovered, vaccinated, PCR tested) will be checked and the physical presence will be noted.

Regulations for the behaviour in case of a SARS-CoV-2 infection

Should any person present show signs of an infection during the event, this must be announced immediately and the instructions of the COVID representative must be followed. In this case, the affected persons will be asked to leave the building, go home by the quickest route or go to their hotel and call 1450. If there is evidence of infection by PCR testing, contact tracing will be initiated immediately and all affected persons will be notified.

Catering

Catering will be provided in the form of a buffet (coffee/drinks during breaks, lunch). Food and drinks will be served at seated and standing places. The FFP2 mask can be taken off at the place, at the buffet the mask must be worn.

Disinfection

Disinfection dispensers are available in the entrance area, at the registration desk, in the rooms and at other places. Microphones and speaker's desks are disinfected each time a speaker is changed.
